STUDENT CODE OF CONDUCT

The Hamilton City School District is committed to providing a safe and secure learning environment for all students. Clear expectations in the areas of discipline and dress will assist the district in achieving that goal. The purpose of this booklet is to state the district's behavioral and dress expectations for students, parents and community.

It is our expectation that all students will adhere to the rules as outlined in the Discipline and Code of Conduct book. In addition to the rules and regulations, the district has a strong focus on the teaching of character education. Our desire is that students will consistently demonstrate the ability to make the right choices and demonstrate good citizenship. We believe the districts' adopted character traits (Acceptance, Compassion, Honesty, Respect and Personal Responsibility) are the foundation from which Hamilton students will develop into well educated and productive 21st century citizens.

Janet Baker

This code of conduct is adopted by the Board of Education of the Hamilton City School District pursuant to Sections 3313.661 and 3313.662, Ohio Revised Code. Any student engaging in the following types of conduct either specifically or generally like the kinds of conduct listed in this Code of Conduct is subject to detention, issuance of demerits, Time-Out Center, Behavior Intervention Center (BIC), Extended Day Detention (ie. Friday/Saturday School), RESCUE, suspension, emergency suspension, expulsion, removal or permanent exclusion from curricular activities pursuant to the Ohio Revised Code. This code of conduct applies while a student is in the custody or control of the school, on school grounds or closely proximate thereto, while at a school-sponsored function or activity or on school-owned or provided transportation vehicles. In addition, the Student Code of Conduct governs a student's conduct at all times, on or off school property, when such student conduct is reasonably related to the health and safety of other students and/or school employees, or such conduct would unreasonably interrupt the educational processes of the Hamilton City Schools.

Student and staff safety is paramount in the orderly operation of the school and to help ensure safety, random use of metal detector devices may be utilized. It should be noted that lockers are school property and school personnel reserves the right to inspect them whenever the need arises. In the case of misuse of the district's network and Internet resources by a student user, disciplinary action may result in suspension and/or expulsion from school.

Ohio Revised Code 3313.66 requires that students are provided with a written notice of intent to suspend prior to being suspended.

The statute also requires that students and parents are provided with a written notice of intent to expel. The notices shall include: (1) a statement of intent to discipline; (2) a description of the acts which were in violation of the Student Code of Conduct; (3) specific rules of the Student Code of Conduct which were violated; (4) and the dates of the suspension or expulsion. The written notice of intent to suspend shall be given to the student at an informal hearing. The notice of intent to expel shall be sent to the student and his parents and the students and parents will be provided an opportunity for an informal hearing prior to a decision to expel. Students will receive an unexcused absence for each school day missed as a result of a suspension and/or expulsion. A student will receive zeros and will not be permitted to make up any missed work.

A student or his parents may appeal any decision of the Hamilton City School District administration to suspend a student from school to the Superintendent or his/her designee. A student or his parent may appeal an expulsion from school to the Board of Education or its designee. A student or parent must request an appeal in writing within 14 days after the discipline measure takes effect. The student and his parent may be represented in all appeal hearings. Pursuant to Ohio law, a student or parent may further appeal an expulsion or suspension to the Butler County Court of Common Pleas. It is the policy of the Hamilton City School District Board of Education that students shall not be permitted to return to school pending any appeal process with the administration or the court. The School District will make every effort to promptly hear all appeals to minimize a student's absence from school. Should the Board of Education, the Superintendent, or their designees, reverse or modify a discipline decision and permit a student to return to school, such student shall be permitted ample time to makeup all assignments and work missed as a result of his or her absence.
