_____	_____	I have read and agree to abide by the Bus Conduct rules as stated in the HHS Band Camp Packet.
_____	_____	I have read and agree to abide by the Uniform rules as stated in the HHS Band Camp Packet and understand that I am financially responsible for damage to or loss of my assigned uniform,
_____	_____	I am aware that I must purchase a blue uniform polo shirt at a cost of $25.00, or I have previously purchased the uniform shirt and that the shirt is a requirement for band participation.
_____	_____	I am aware that, as stated in the HHS Band Camp Packet, my attendance at all performances is required and failure to participate in any required practices and performances will affect my grade. If an absence is excused, I will be offered a make-up assignment. Unexcused absences are not eligible for make up work. Performances include parades, football games, contests, pep band obligations, and school concerts. Other dates may be added as deemed necessary by the Band Director.
_____	_____	I have received the HHS Band Fall Calendar in my HHS Band Camp Packet and am aware of my performance obligations. I am aware that dates may be subject to change, but my obligation to perform remains the same.
_____	_____	I am aware that students should be in the band room 15 minutes prior to posted practice/performance times and will be dismissed 15 minutes after posted times so they have time to take care of equipment needs and announcements without taking away from the actual practice or warm-up time.
_____	_____	I am aware that, after a performance or competition, the Band Director may need to meet with the band to address immediate needs especially as it relates to a competition where immediate feedback is of the essence. I will patiently wait for my student to be dismissed, realizing that every student parent and administrator is also anxious to go home as well.
