August 6, 2020

Dear Class of 2024, Parent(s) and Guardian(s),

I want to take a quick moment and introduce myself. My name is Jesse Weisbrod and I am your Principal of the Hamilton High School Freshman Campus. I have served in the Hamilton City School District for the past 21 years in multiple roles, and I am looking forward to meeting the Class of 2024!

Especially during these unprecedented times, communication is of the utmost importance. Please make sure to continue to reference the [District's Website](#) for updated information as it pertains to your student and the 2020-2021 school year.

With that in mind, please understand that numerous policies and procedures are now different from the pre-COVID 19 era. This includes, but is **not** limited to, requiring masks for all students and staff both on the school bus as well in the school building. Staff and students are to complete wellness checks before school. Visitors to our building will be limited to *essential business only* and social distancing guidelines will be required. We appreciate your willingness to adhere to all of the new policies and procedures so that we can keep our students and staff as safe as possible.

## Open House Information:

Our Open House will be **virtual** with sessions determined by your student's last name.

<p style="text-align: center;"><b>Thursday August 13th</b> Open House #1</p> <p><b>Families Last Name A-E, 5:00-6:00 pm</b> <b>Families Last Name F-J, 7:00-8:00 pm</b></p>	<p style="text-align: center;"><b>Wednesday, August 19th</b> Open House #2</p> <p><b>Families Last Name K-O, 5:00-6:00 pm</b> <b>Families Last Name P-Z, 7:00-8:00 pm</b></p>
---	---

To attend the Virtual Open House for your child, families should visit the following link:

<https://sites.google.com/hcsdoh.org/freshmancampus>

(or use the QR Code, this site will go live on Aug 13th)

Once on the Virtual Open House site, families will be able to watch a virtual video tour, access important documents for the school building, and interact with all staff members by department. In order to interact with staff members via Google Meet, **families must sign in using the student's school district provided email address.** For example, that email address would look like this: BigBlue24@hcsdoh.org where "Big" is the student's first name, "Blue" is the student's last name and 24 is the last two digits of the student's graduating year (24 for this year's freshman class).

### **Hybrid Opening and First Day of School:**

Following the Hybrid model, students with the last names beginning with A-K will attend school for the first day on Monday, August 24th.

Students with the last names beginning with L-Z will physically attend school for the first day on Thursday, August 27th. Online lessons will be available on August 24th.

The doors will open for students to enter the building at 7:15 am. Our school day begins promptly at 7:30 am and ends at 2:40 pm. Please make sure to time up your arrival so that we can adhere to proper social distancing guidelines and avoid large crowds.

### **Arrival/Breakfast:**

Upon arrival, if breakfast is desired, students will report directly to the designated socially distanced cafeteria line to pick up their breakfast items and proceed directly to their locker and 1st period class to eat. If breakfast is not desired, upon arrival students should report directly to their locker and 1st period class. Gatherings will not be permitted in the hallway so that we can adhere to our safety guidelines.

### **Final Forms:**

You should have received an email requesting that you update your information in [Final Forms](#). It is imperative that you **please complete Final Forms by Monday, August 21st.** This platform provides the school with information necessary to safely support your child in the event of an emergency. Please reach out to the building secretary Mrs. Colwell at [jcolwell@hcsdoh.org](mailto:jcolwell@hcsdoh.org) or the main office phone if you need assistance completing these forms.

### **Chromebook and Hotspot Distribution:**

Chromebooks will be assigned to all students on the first days of school. WiFi hotspots will be issued to students who have indicated a
