

Working With Words Phonics Lessons

Lesson # 38 Date: _____

Assess: Progression IV

Before beginning lesson, **review the following concepts:**

- Alphabet is a code that lets us write our thoughts or words we speak so someone else can read them
- Two ways to write each letter—capital and lower case
- 26 letters in the alphabet
- Two kinds of letters – consonants and vowels
- Letters make words
- Words make sentences
- Sentences go together to make stories, letters, etc.

Using the Key Word card **review all letter sounds previously introduced.**

Procedure: give the students a paper numbered 1-10. Dictate the following words and sentences.

1. jet 2. wag 3. yes 4. zip 5. jog 6. yard 7. jar

8. zest 9. wet 10. Jack

The frog sat on a log.

We will win the game. (remind students that game is spelled with a magic e)
