

Working With Words Phonics Lessons

Lesson # 49 Date: _____

Introduce: ch and tch /ch/

Key word: Church

Before beginning lesson, **review the following concepts:**

- Alphabet is a code that lets us write our thoughts or words we speak so someone else can read them
- Two ways to write each letter—capital and lower case
- 26 letters in the alphabet
- Two kinds of letters – consonants and vowels
- Letters make words
- Words make sentences
- Sentences go together to make stories, letters, etc.

Using the Key Word cards, review all letters and sounds previously taught.

Teach: ch and tch (/ch/ is spelled tch after a short vowel)
