

Working With Words Phonics Lessons

Lesson #51 Date: _____

Introduce: y as /ē / and /ī/

Key words: Fly and Candy

Before beginning lesson, **review the following concepts:**

- Alphabet is a code that lets us write our thoughts or words we speak so someone else can read them
- Two ways to write each letter—capital and lower case
- 26 letters in the alphabet
- Two kinds of letters – consonants and vowels
- Letters make words
- Words make sentences
- Sentences go together to make stories, letters, etc.

Using the Key Word cards, review all letters and sounds previously taught.

Teach: At the end of a word the letter "y" can sound like long i as in fly or long e as in candy.
