

Working With Words Phonics Lessons

Lesson # 54 Date: _____

Introduce: ee /ē/

Key word: Teeth

Before beginning lesson, **review the following concepts:**

- Alphabet is a code that lets us write our thoughts or words we speak so someone else can read them
- Two ways to write each letter—capital and lower case
- 26 letters in the alphabet
- Two kinds of letters – consonants and vowels
- Letters make words
- Words make sentences
- Sentences go together to make stories, letters, etc.

Using the Key Word cards, review all letters and sounds previously taught.

Teach: ee /ē/ It follows the rule CVVC

Key word card: Teeth
