Straight From The Top

Mrs. Blake

Let's do a great job on the Ohio Achievement Tests!

O.A.T. Tests

It is important for all students to do their best on O.A.T. tests. Here are some helpful reminders to keep in mind as we approach testing week:

- ⇒ Go to bed early the night before each test day
- ⇒ Get up on time so you don't have to rush to get to school on time
- ⇒ Eat a healthy breakfast each morning
- ⇒ Relax, take a deep breathe, and do your best on the test!

Reminder . . .

Seventh graders take three O.A.T. Tests this year:

Monday, April 20 - Reading

Tuesday, April 21 - Math

Wednesday, April 22 - Writing

Students of the Month!

Monica Mudd

Monica is not only a great student, but a great young lady that we all enjoy having in our classrooms. She does everything she is supposed to do on a daily basis and is a smiling face we love to see everyday!

Ian Calihan

Ian is a also a great young man who we love to have in our classes this year. He is constantly participating and offering to help out while in each of our classes. We could not ask for a better student to have in class!

Coming up in 4th Quarter . . .

From Mr. Hutson . . .

In History class we will be beginning a religions power point project over all of the religions we have studied so far this year. We will also be talking about the Crusades and then the Renaissance. Interesting!

From Mr. Moore . . .

The first week in April we will be celebrating Hamilton Character Week. We will be having a Character Trait Door Decorating contest that week. Students will be writing letters to invite a "Person of Character" to a tea party on Friday.

From Miss Kohr

In Science class we will be beginning our new unit on Animals. We will be studying invertebrates first and then going on to vertebrates. We will also be dissecting earthworms and starfish in the next couple of weeks!!!
