

Orion 2nd Quarter Clubs

Improv Club

Have you always wanted to be an actor? Are you quick on your feet? Do you always seem to know a joke for every situation? Then you should sign up for Improv Club. During this club, we will learn how to act without a script and also perform some short skits. This club is led by Mrs. Anderson and should be lots of fun.

Poetry Club

We will have a poetry club, it will be the best. Your poetry knowledge and writing will be put to the test. We will have a coffee house, and your poetry you can share. There may even be some coffee that will be served there! This club is for the serious poets who really love to rhyme. It will be a place to learn and a really good time! This club is led by Mrs. McIntosh.

Vocabulary from Latin and Greek Roots

This club is in response to numerous requests for a solid etymology-based vocabulary program. A student who associates a root with an idea will be more likely to correctly assess the definition of that root's English derivative. This club is led by Mr. Maraschiello.

Connect with K'Nex

Building and experimenting with various K'Nex sets. This club is led by Mrs. Miller and Ms. Stevens.

Brain Games

Critical thinking and logical reasoning related games and activities. Activities will include chess, backgammon, sudoku, Tetris, and many others. This club is led by Mr. Haver and Mr. Wierzbicki.

Garfield Givers

This group will complete projects such as holiday cards, care packages, welcome folders, and mentoring/tutoring. This club is led by Mrs. Kelley.
