

Wilson Middle School Seventh Grade Field Day

May 27, 2009

We will be celebrating the end of the year with a field day and cookout on Wednesday, May 27th. We want to thank our seventh graders for their hard work this year and have a little fun, too.

The morning will be filled with a "Battle of the Teams" between Legends and Excalibur. Events will involve lots of water, so dress appropriately. School dress code will still apply and those breaking dress code will be sent inside for the day.

For lunch, a hot dog, chips and a pop will be provided for every student. We will also be selling extra hot dogs and pop for fifty cents each. Students may bring a sack lunch in addition to or besides the provided lunch.

After lunch, we have several exciting activities planned. Students can purchase tickets for fifty cents (3 for \$1 presale) to dunk a teacher, race through the obstacle course, participate in a cake walk or play human foosball. In addition, we will also distribute yearbooks, have football and softball games, a corn hole tournament and walking trips to Flub's. In order to walk to Flub's, students must return the permission slip on or before Tuesday, May 26th and bring their own money. Items at Flub's range from \$1—\$4. *Because of time constraints, selection is limited to a cup (sundae), cone or icee.*

RETURN TO YOUR ADVISORY TEACHER BY 5/26/09

I give my child, _____, permission to walk to Flub's on Wednesday, May 27th, 2009.
